MESSAGE FROM THE DIRECTOR

Dear Colleagues and Friends,

As we reflect on the first half of 2024, we are proud of the strides we have made in advancing business and economic research globally. Our commitment to knowledge sharing, foresight planning, and holistic approaches remains unwavering. We invite you to join us in our upcoming events and contribute to our ongoing efforts to address the challenges and opportunities of our times.

Warm regards

ABOUT IJHEM

The International Journal of Higher Education Management (IJHEM), is a refereed journal that seeks to be a scholarly conduit by which academic papers concerning the realm of higher education, and its leadership and management in particular, are put into the public domain. IJHEM provides an authoritative source of information for academicians, policy makers and professionals.

The International Journal of Maritime Crime and Security (IJMCS) will be the first high-quality multi/interdisciplinary journal devoted to the newly identified field and academic discipline of maritime security and to the study of maritime crime. The latter has been neglected, as the scientific study of crime has remained essentially landlocked.
